Quite proper to have called for fresh Tenders for two years from 1946-47. Contractors have eased or are likely to become eased, especially so far as the fodder situation is concerned. Further, this Hl el is to be reconstituted from 1st May 1946. By accepting this tender, it would be making the acts of this Hl el binding on the successor Hl el. It would also depend upon the financial condition of the Hl el for 47-48 when so many casts might be required in the ears, the proposal of the Hl el to employ 12 cast-offs [illegible] for 10 casts for a period of two years thus casting for two returns and two years of [illegible] which [illegible] must for 2 years in order

S i r,

Subject:- Entertainment of conservancy carts- Shimoga Town Municipality - for removing street rubbish in the town during 46-47 and 47-48

With reference to your memo No, M3 C 257/46-47 dated 14-10-46 calling for certain particulars on the above subject, I have the honour to state that tenders for supplying conservancy carts during the current year only were called for at the first instance as already stated in my letter of even No dated 27-6-46 There was no response from any body even though the notice was widely published in the town Some of the contractors including the then contractof Mr Mohamad Ummar represented that they would submit tenders only if the period was limited to two years at least in view of the heavy initial investment necessary. Feeling that their representation was reasonable, a notification was again issued on 12-6-46 calling for tenders for the supply of conservancy carts for two years commencing from 1-7-46

I may also state in this connection that the contract for supply of conservancy carts was for a period of two years in previous years all along and at no time had it been given for a period of one year (Vide G O No L 4990-1/M1 5-42-30 dated ~~xxxxxx~~ 19-11-42 and G O No L 6943-4/M1 9-44-61 dated 12-1-46)

In view of the above facts, the period was fixed to two years

I have the honour to be,
S i r,
Your most obedient servant,
